Subject: Warmest Congratulations

Dear Ms. Bokova,

We have learnt with our utmost joy and pleasure that you have just been re-elected as Director-General of UNESCO for the second term.

We have long been awaiting this wonderful news.

On behalf of all members of nearly 300 UNESCO Associations in Japan, we wish to extend our heartfelt congratulations to you on your reelection to the position of the Director General of UNESCO.

Under the current unstable situation of the world, we believe that the lofty ideals and noble missions enshrined in the UNESCO Constitution will be even more important than ever before.

We are confident that under your able leadership, UNESCO will continue to make unique and important contributions through its activities of education, science, culture and communication to the world peace and welfare of mankind.

As a non-governmental organization dedicated to the cause of UNESCO, we will continue to promote our activities both nationally and internationally to realize the UNESCO's goals at grassroots level.

In accordance with our Cooperation Agreement with you, we will continue our effort with a view to making contributions, though modest, to support UNESCO activities.

We wish to count on your continued assistance and encouragement to our activities.

Once again, please accept our sincerest congratulations.

Yours sincerely,
